

LIFE SCIENCE RESEARCHERS, INVENTORS & ENTREPRENEURS

WHAT DOES IT TAKE TO COMMERCIALIZE A TECHNOLOGY?

Join us for a No Nonsense & No Frills “Boot Camp”.

This half-day program will focus on what is necessary to take Your new technology to the pharmaceutical, bio-tech and medical device industries. Learn about the licensing process, patent protection, company formation and most importantly—how to get the Funding you’ll Need!

JANUARY 20, 2010
